for each District.

I wish to invite your kind reference to para 3 of your D.O. No.2252-60/W dated the 1st instant addressed to the various District Magistrates of the Districts and copy sent to me and to state that I have presumed that the Superintendent, Power and Lighting, Khankanhalli, will be responsible for organising A.R.P. Services affecting Khankanhalli Switching Station and the Electric Colony therein and will have nothing to do with the Taluk of Khankanhalli.

I shall be obliged for a line in reply if my assumption is correct.

Yours sincerely,

The Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

Constitution of A.R.P. Services for each District.

I have the honour to acknowledge receipt of your letter No.2491/W dated the 14th instant, on the above subject, directing that the Superintendent, Power and Lighting, Khankanhalli, shall be responsible as A.R.P. Controller for organising A.R.P. services for Khankanhalli Town and to state that Khankanhalli Power and Lighting Station and the important Switching Station ~~are~~ is under the charge of only one Gazetted Officer, viz., the Superintendent. The Station and the Electrical Colony are nearly half a mile away from the Town and during emergencies the Superintendent will have to be within the four walls of the Switching Station at Khankanhalli, as the several transmission lines terminate at this point and the quick resumption of service is mostly dependent upon the satisfactory operation to be carried out at the above Station. Further in case of a raid occurring, the damaged plant and equipment will have to receive his personal attention. Therefore he will not be in a position to undertake the control of A.R.P. Services in Khankanhalli Town, which is four furlongs away.

I would therefore request you to kindly reconsider the orders passed and arrange to appoint a local officer like the Amildar as A.R.P. Controller for Khankanhalli Town. However, the Superintendent will be directed to give all necessary assistance to the Amildar in establishing the services now, but in emergencies, the Amildar or any other officer to be appointed as Controller

P.T.O.

will have to be solely in charge of the A.R.P. services in the Town.

I have the honour to be,
Sir,

CHIEF SECRETARY 3. JUN. 1942 GOVT. OF MYSORE

Sir,

Subject:- A.R.P. arrangements at Kankanhalli Town.

With reference to your memo No. 2644/W dated 24-4-1942 on the above subject, I have the honour to state that the Superintendent, Kankanhalli Power and Lighting, who is the A.R.P. Controller for Kankanhalli Town cannot look after the A.R.P. arrangements in the Town in view of the heavy responsibilities he has to shoulder in the switching Station itself. ~~No progress has been made re. the enlistment of volunteers and other measures.~~ I think that the Amildar of Kankanhalli may be entrusted with the organisation of A.R.P. services in the Town and I would suggest his being appointed as A.R.P. Controller for the Town area excluding the Power and Lighting Station and Electric Colony.

I have the honour to be,
Sir,
Your most obedient servant,

S. Narayanaswamy

District Magistrate,
Bangalore District.
